

## A Petition from Northampton, MA Residents

For Consideration by : The City Council of Northampton , MA

We, the undersigned, request that the Northampton City Council reconsider the facts and vote, affirmatively, on the request to change the status of Bottums Rd, Northampton/Florence MA, to: A Public Way.

Enclosed, please find correspondence from Ned Huntley, former Head of the Northampton Dept. Of Public Works. In his notes and recommendations to the City Council, on or about Nov17, 2015, Mr. Huntley recommended, and the abutters agree, that option #4 , noted on the "Plan of Land" Street Acceptance Plan, dated 11/10/2014, would be a reasonable site for a plow turn-around for this road.

Hi Jim  
Since Botturns Road had a positive recommendation from the Public Works Commission the DPW will continue to maintain until street acceptance by the City Council. I spoke with the highway superintendent this a.m. and he assured me that we are doing that.  
Thanks
